

Power supply, 220 VAC/50 Hz, portable ultraviolet lamps 26708 & 26710

Termékszám:	2670702
HUF Ár (nettó):	Elérhetőségünk
Szállítási dátum nem látható	

Shortwave (254 nm) UV lamps for field or laboratory use. Either lamp (2670800 or 2671000) can be used in the lab with this power supply. Both lamps are physically identical except for bulb and cord length (these are shorter in the 1.75" version). NOTE: Not for use in microbiological applications. UV Lamp contains mercury. Dispose according to state, local or federal regulations.

Műszaki adatok

Elektromos jellemzők:	220 Vac, 50 Hz
Térfogat/ csomagméret:	1 each
